Organic Tours

The North Central RC&D, with funding through “THE” project, teamed up with the Northern Plains Sustainable Agricultural Society and NRCS to provide 3 separate Organic Tours in South Dakota.

USFWS COOP 2

- In total, 97,275 acres of grassland, wetland and riparian habitat were restored, enhanced or created on 171 privately owned tracts throughout South Dakota.
- In total, \$900,674 of USFWS funds were effectively implemented for habitat practices and associated actions specifically denoted in the partnership.
- In total, \$715,340 of non-federal funds and services were leveraged as match to compliment USFWS funds. This equates to a 44% non-federal match ratio which exceeds the original programmatic target of a 25% non-federal match.
