HOMEBUYER EDUCATION

North Central Mt. RC&D works with a variety of groups to address housing issues. We feel the key to this challenge is *Education*. We provide Homebuyer Education Classes in our 10-county area to inform and educate clients on a variety of programs offered to First Time Homebuyers. We also teach the steps required in the process of buying a home. Our partnership with NeighborWorks Mt. helps to make this task a *reality*. This partnership includes a collaborative of 26 other partners who work effectively to cover most of the rural areas of Montana.
