We Share with Nebraskans

Educated Others Concerning **BIG WIND**

Presented at WNCC at a forum: *Wind Energy and Economic Development in the Panhandle: A Forum on our Future.*

BCWEA was a co-host of this event and shared an updated version of our PowerPoint, a panel discussion, handout sheets, and answers to questions.

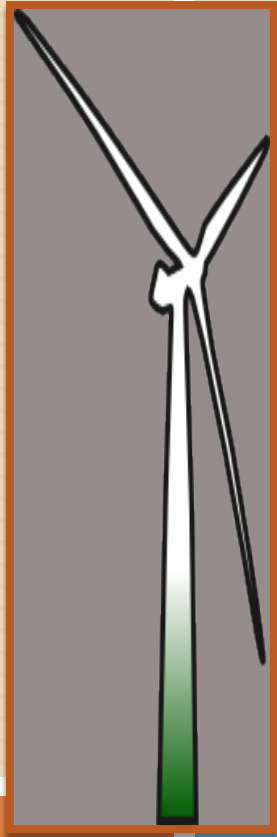

Presented at a state-wide convention in Kearney, held in November, 2010; the presentation was entitled **BIG WIND: Landowners Unite.**

It concerned forming associations and included a new PowerPoint, a panel discussion, and answers to questions.

2010 Behind The Scenes and in The Forefront

- Prepared and mailed K-1 forms for members of BCWEA LLC
- Updated and maintained lists of landowners and members
- Continued to converse with people involved in energy by individuals on The BCWEA LLC Board - that information was shared with The Board
- Continued intensive research in many areas regarding wind; notably transmission, legal situations, progress of wind developers, RES/REC
- Attended meetings and shared ideas for Nebraska DOE syNErgy, a group that is developing jobs in renewable energy for Nebraska. (WNCC will be starting a program in the fall of 2011 to train wind technicians)

**... As yet, the wind is an untamed,
and unharnessed force;
and quite possibly
one of the greatest discoveries
hereafter to be made,
will be the taming, and harnessing of it.**
