

October 22, 2012

Greetings,

The Clearwater RC&D Council, based in Moscow, Idaho, home of the University of Idaho, and eight miles from Washington State University, is hiring its first ever Executive Director.

The Council covers the five counties of North Central Idaho, and is a geographically-diverse, natural resource-rich area, including some of the best big game hunting in the world. The Council area lies in the heart of the Northern Rocky Mountains, and is rich with public lands, forested mountains, and rivers including the Clearwater, Salmon, Snake, Selway and Lochsa.

Our financial situation is healthy and stable, with a strong board.

This is a great opportunity for former coordinators and others interested in making a difference in one of the planet's most beautiful and diverse Council areas.

Job announcement and description below. Please distribute to potential interested parties!

Malcolm Dell, Member
Clearwater RC&D Council, Idaho
